

You are cordially invited...

to join us in our new premises for an hour or two to show you what is new and forthcoming from the **house of innovation.**

Many standard and specialised products have been added to the MAMI catalogue and we would like to introduce them to you over a few snacks and drinks.

Attending will automatically enter you into a competition to win a **GSM INTERCOM** or a **Base Station**

MAMI Program

There will be two sessions per day for three days, which will be repeated in September if you are unable to attend the ones in August

First Session - 10:00 - 12:00
